Muffakham Jah College Of Engineering and Technology	08/2020 – 08/2024
Narayana Junior College	06/2018 – 03/2020
St. Joseph's Public School	06/2008 – 03/2018

Profile

Hi there! I'm Uzair. I am a Full stack developer with an amazing ability to develop websites that are both functional and aesthetically pleasing. I have a strong understanding of web standards and best practices, and I am passionate about creating websites that users will find easy to use and visually appealing. I am also proficient in a variety of programming languages and tools, and I have a proven track record of delivering successful projects on time and within budget. I am a team player who is always willing to lend a helping hand, and I am confident in my ability to contribute to any project. I am looking for an opportunity to use my skills and experience to make a positive impact on the web.
